## FUNCTION FACILITY

Thinking of holding an Event in Queenstown, then look no further... Revolver is here to cater for your every need.

Revolver consists of two bars, two stages and we are capable of catering from 20 to 300 people.

We specialise in live entertainment. We host bands, dj's, comedians and regularly feature national and international acts. If you want it, we will source it.

The front bar is our main bar and lounge area. Furnished with sofas and bar stools, we consider it contemporary without compromising comfort. Attached to our front bar, is the outdoor deck suitable for 50 people.

The back bar is designed specifically for private events and offers a sophisticated and stylish area adjacent to a stage and dance floor.

The back bar is ideal for corporate hospitality, private parties or product/media launches. The area can be partitioned off for a more secluded feel or opened up to flow through for a larger function.

We have a modern Pizza kitchen to offer food, however, we are happy with self catering when organised in advance.

## Venue Specs

- § 4 Surround LCD TV screens, all can be linked for presentations
- § 3x Large Projection Screens, ideal for presentations and product launches with surround sound capabilities
- § Main stage area able to be set up as you require, full audio and visual options available
- § Secondary Portable Stage ideal for a display stand but large enough to support a band setup. Again full audio and visual options available
- § Full PA system

Attached is a floor plan and detailed specs of our house PA, enabling you to decide which area/s are suited for your function.
